

BOROUGH OF POINT PLEASANT

OCEAN COUNTY, NEW JERSEY

March 15, 2021

Dear Residents of Point Pleasant Borough,

The New Jersey League of Municipalities and I have an excellent scholarship opportunity for high school juniors and seniors in the Borough of Point Pleasant.

We have teamed up to offer three \$1,000.00 scholarships through the Louis Bay 2nd Future Municipal Leaders Scholarship Competition. The purpose of this scholarship is to advance the virtues of elected and volunteer positions in municipal government while raising awareness of municipal government in general. Many elected officials and appointed board members serve your municipality on a part time basis but put in the work of a full-time employee simply because it is their altruistic desire to serve their community. Scholarship like this give us an opportunity to open the doors to local government to students who might possibly want to pursue a career in public service.

The scholarship is named in honor of Louis Bay 2nd, Mayor Emeritus of Hawthorne, who actively participated as a New Jersey League of Municipalities Board Member and Past President for over 60 years.

This year, the question has changed to reflect the vital role municipalities are taking in response to the COVID-19 pandemic. This year's question is, "How has local government played a role in your life regarding the ongoing pandemic?"

Enclosed, you will find instructions and forms to fill out on how to submit your essay. You will email your submitted essay no later than April 2, 2021 to our Borough Administrator at fpannucci@ptboro.com.

Best of luck,

Robert A. Sabosik
Mayor

WHAT IS THE LEAGUE?

The New Jersey State League of Municipalities is a voluntary association created to help communities do a better job of self-government through pooling information resources and brainpower. The League is authorized by state statute and since 1915, has been serving local officials throughout the Garden State. All of New Jersey's 565 municipalities are members of the League. The 565 mayors and 13,000 elected and appointed officials of member municipalities are entitled to all of the services and privileges of the League.

The League publishes a magazine titled *New Jersey Municipalities* which reports up-to-the-minute information on municipal administration and procedures with practical examples, news notes, and new laws. It is one of the reading "musts" for municipal officials and is sent to more than 8,500 readers each month.

In addition to the magazine, other League services include: Bureau of Municipal Information; Ordinances and Codes; Research; Legislative Analysis; Legislative Bulletins; New Laws; Contracts, In-Service Training; Personal Consultation; Instructional Seminars and Research Publications. Nearly all League services are available through the League website www.njlm.org.

The highlight of the year's activities is the Annual League Conference, held each November in Atlantic City at the Atlantic City Convention Center. The Conference is an invaluable learning experience which yields benefits throughout the year. Delegates have the opportunity to learn and ask questions at more than 100 panels, clinics, workshops, and other sessions conducted by the League and the 21 associations of technical and professional employees allied with it. Commercial, government and association exhibits display the latest products and services for municipal government.
